**Who might benefit?** The groups are open to students between the ages of **7 and 11** years who may have Generalized social skills deficits. Students should be verbal (can use VOD, sign, PECS, or other means to communicate), and not exhibit harmful behaviors toward their peers (not limited to these as the director may modify depending on the needs of the student)

**Benefits to students:** Each child will have individualized goals they will be targeting throughout the course. Parents will be kept informed of the groups' weekly curriculum. At the end of the course, each student will be able to leave with a DVD of all the completed social scenarios they helped create. Students will also learn to use a digital camera, video camera, and editing software on a laptop. There will be an awards ceremony the last day of the course.
